

ARE YOU THE LIKEABLE AND KICK-ASS COLLEAGUE THAT CAN TURN DATA INTO ACTIONABLE INSIGHTS? INNOVISOR IS LOOKING FOR A BUSINESS ANALYST(S)

who is innovisor?

We are an elite boutique consulting that specializes in gathering and analyzing collaborative relationships and influence networks inside organizations. Our vision is to eliminate change failure and to improve success probability by providing the data & insights for clients from all over the world. We do this through Organizational Network Analysis, which we are experts at. As a global leader within our field, we work actively to contribute to the SDGs as an integral part of our operations.

Our team is international, and our office language is English. Join our team and enable our clients from our office in the heart of Lyngby!

who are we looking for?

We are looking for you, if ...:

- You are a likeable and energetic colleague, who enjoys a fun and informal work environment
- You are in your last year of Bachelor's degree or first year of Master's degree
- You work in a structured manner, have a strong focus on quality and always meet deadlines

We expect you to possess the following capabilities:

- Numbers and Statistics: grasp numbers and more advanced statistics
- Data Visualization & Storytelling: excite the mind and the heart with your analysis
- Business Acumen: turn data into metrics and actionable organizational recommendations
- Communication Skills: your audience is executives, so you need to be crisp and concise in your communication
- Passion: knowing our field of Organizational Network Analytics is not a requirement (however, we expect you to get excited about it quickly 😊).

what is the job?

We trust our people – and so as a Business Analyst you will be given responsibility and autonomy to do things your own way. You will get to work with some (or all!) of the following:

- Data analysis
- Responsible to manage & further improve tailored leadership reporting
- Support to project delivery, including direct contact with clients
- Case writing
- Business development, including outreach and support in acquiring new clients

The job will be approx. 10-15 hours per week.

how do you apply?

Send us a very short motivational application and a CV to job@Innovisor.com. We invite candidates as applications come in.

our team is passionate about enabling our clients to be successful. We are professional to the bone, highly ambitious, and very informal in our collaboration. Above all, we believe a coherent, energized and passionate team always wins in the long run.

our clients include S&P 500 and FTSE 100-companies, but also smaller Silicon Valley based start-ups. A number of them are on the Top100 list of best known global brands. Our clients rate their satisfaction with us at an incredible 4.7 out of 5 points. 75% sign up as ambassadors.

our brand position is well-established. We have been featured in global media such as CNN, Wall Street Journal and Forbes, academic journals and books and speak at conferences across the world. Check us out and follow us on LinkedIn, Twitter, Facebook & Instagram, so you know who we are.
