

CAN YOU RETELL A LONG STORY IN A FEW IMAGES?

GRAPHIC DESIGN INTERN (UNPAID)

Who is Innovisor?

We are a boutique consulting company that helps companies to succeed with change. Our ambitious vision is to eliminate change failure. We improve change success probability by turning data & insights on collaborative networks and influence flows of our clients into actionable recommendations, and by measuring their progress towards their desired end goal. We are a world leader in the use of Organizational Network Analysis to drive change and use algorithms and predictive intelligence to optimize its potential.

Our team is international, and our work language is English. Join our 'remote first' team in the heart of Lyngby, Denmark. We have worked with internships since 2016. Three of our interns have stayed on in Innovisor.

Who do we look for?

We look for you as our Graphic Design Intern, if ...:

- You are a likeable and energetic colleague, who enjoys a fun and informal work environment
- You look for a 3-month internship as part of your studies

We expect you to possess:

- Graphic design skills, preferably experience with Adobe Illustrator, Photoshop and After Effects
- Experience with WordPress and the programming languages HTML, CSS and JS
- Creativity
- Interest in digital marketing and/or social selling is a big plus

What is the job?

We trust our people. As a Graphic Design Intern you will have autonomy to drive your own ideas to realization. We will invest time & resources in you, so you can turn your Innovisor internship into a great asset for your future CV.

You will get to work with some, or all, of these areas:

- Website design
- Back-end and front-end development
- Visuals and video creation
- Creation of marketing and sales material
- MS template development
